PRIESTS GO ON STRIKE;
ASK MORE FINANCIAL AID

By The Associated Press.

ROME, June 20.—A strike of priests, which is without precedent, has just occurred at Loreto, a celebrated resort of pilgrims, whither, according to legend, those of the virgin at Nazareth, was miraculously transported by angels in the year 1294. The priests asked for an amelioration of their financial condition owing to the high cost of living and when their claims were not granted, they stopped celebrating masses and performing other religious duties.

Monseignor Andreoli, bishop of Loreto, in whose diocese Loreto is located, is intervening personally in persuading the priests to resume their duties promising to do everything possible to satisfy their desires.

BLACK-DRAUGHT

Takes Away Bile

Few people realize the danger of a disordered liver—but it is often the primary cause of a serious illness. By keeping your liver working and in good condition, you may be able to throw off many of the common ailments, which might otherwise result more seriously.

For more than 70 years the old, reliable, Theodor's Black-Draught has been regulating the irregularities of the liver, stomach and bowels. Thousands of people use and recommend this remedy. Numerous letters testify to the fact that Black-Draught has a permanent place in many family medicine chests. A dose every now and then helps to keep the liver in trim and will prevent or relieve such troubles as constipation, biliousness, indigestion, and sick headache.

Black-Draught is purely vegetable, and acts promptly, naturally and without bad after-effects.

Read what E. L. Blackman, of Weleetka, Okla., says about Black-Draught:

"Black-Draught is a splendid medicine. I take it for liver trouble, when the liver gets out of order, bad taste in the mouth and for the usual symptoms of a bad liver. It takes away the bile better than any other liver medicine I have ever used."

Your druggist sells Black-Draught. Get a package for your medicine chest today.
